HHOA Launches 50/50 Draw to Help Support the Fish Hatchery

Haliburton, ON April 8, 2022 -- The Haliburton Highlands Outdoors Association (HHOA) will initiate a 50/50 Draw starting on April 15, 2022. Funds raised will support the fish hatchery, the annual stocking of area lakes, walleye spawning rehabilitation programs and other HHOA activities that benefit region's outdoors community.

“Due to cutbacks in funding, and the effects of Covid, the HHOA is seeking other fundraising avenues, said Dan Smith, HHOA President. “The 50/50 Draw provides an opportunity to raise funds for the hatchery, while giving the community a chance to help support the hatchery and win some money!”

The draw starts April 15th. Go to bigcatch5050.ca to buy your tickets. 50 percent of the proceeds from each monthly draw will go to one lucky winner. The other 50 percent will be used to support HHOA activities.

The Haliburton Highlands Outdoor Association helps maintain and enhance local fisheries. Its mission is to help residents and visitors to the Haliburton Highlands enjoy angling opportunities while practicing good conservation. Since 1998, the HHOA has raised and stocked over 700,000 fish in local lakes. For more information on the HHOA visit: <https://www.hhoa.on.ca/news>
